

Interested in pediatric therapies over the summer but also want your children to be around other kids?
Capable Kids has the answer for you:

Group Therapy!

We are offering a variety of groups focusing on different areas of interest such as: Gardening, Fitness, Art, Cooking, Science, and Literacy! Each group focuses on school readiness skills such as: cooperative play, following directions, flexible thinking, whole body listening, and appropriate social interactions.
Come join us this summer for Group Therapy!

Please email or call us for more information
